

Disclaimer

Trading in Foreign Exchange and other leveraged products carries a high degree of risk to your capital and it is possible to lose more than your initial investment. You should only speculate with money that you can afford to lose. These products are not suitable for all investors, therefore please ensure that you fully understand the risks involved and seek independent advice if necessary. YCM Invest does not provide any form of personal recommendation and clients should consider their own individual circumstances before making any investment decisions.
